CAPPLUGS

CERTIFICATION OF CONFORMANCE

We certify that the product specified on the reverse side of the packing slip conforms in all material respects to the specifications set forth by Caplugs in its product documentation, including the following specifications:

1. All physical and chemical requirements that are specified on Caplugs engineering specifications for this particular product are adhered to during the manufacturing process on this product.
2. All plastic products are produced from first grade plastic material that meets applicable NAS and military specification.
3. All vinyl products that are produced from prime virgin plastic are in accordance with ASTM standard D 2287-96. Standard option vinyl products do not contain DEHP or BPA.
4. All aluminum alloy products are produced from mercury-free 3003-0 aluminum alloy in accordance with ASTM-B-209, QQA 250/2, applicable NAS and military specifications.
5. All anodized products are produced in accordance with applicable military specifications: MIL-A-8625, Type II.
6. All products fabricated from conductive EVAC75, PE-HD505 or PE-HD515 are molded from virgin material which meets:
 - a. Surface resistivity of less than 1×10^6 ohms/square in accordance with ASTM test method D-257-78.
7. All products fabricated from Static Dissipative materials are molded from virgin material which meets:
 - a. Surface resistivity of at least 1×10^5 ohms/square but less than 1×10^{12} ohms/square in accordance with ASTM Test Method D-257-78.
8. All low, medium, high density and static dissipative polyethylene material conforms to ASTM D4976 (formally LP-390). The type, grade and class will vary depending on the individual properties of the material.
9. All products are free of ozone-depleting substances and do not require labeling under the Clean Air Act. Caplugs does not use natural rubber latex or mercury.
10. All steel products are DFARS compliant with smelt sources in the US. DFARS does not apply to any other products sold by Caplugs.

According to our raw material suppliers and our knowledge of our manufacturing process, Caplugs believes that the following standard materials comply with the European Union Directive 2015/863 RoHS3, REACH SVHC and do not contain conflict minerals sourced from the DRC: Aluminum, EVAC04, paper, PE-HD06, PE-LD01, PE-LD67, EVAC75, PP07, PP08, Sillicone, TEO19, TEO70, standard option vinyls and standard option colorants. For any other materials or colors, please contact the factory. Although the majority of our products are outside the scope of RoHS and WEEE, Certifications are available if applicability can be determined to the satisfaction of Caplugs.

Detailed test and inspection records that indicate this product's conformance to Caplugs specifications and standards are on file at our facility for your examination, upon request.

Caplugs quality management system is certified to ISO 9001 and meets requirements of MIL-I-45208 & ISO10012-1 & 2. In addition to this, the Buffalo, NY and Erie, PA facilities are certified to IATF 16949.

Caplugs is an ISO 13485 certified company. The ISO 13485 quality management system applies to all clean room medical products in Buffalo, NY.

Caplugs environmental system is certified to ISO 14001.

Caplugs will not be held responsible for any requirements that are beyond the realm of our manufacturing capabilities.

If this certification is not detailed enough for the requirements of your company, Caplugs may be able to provide special certifications that meet your requirements. Contact us for availability and cost. The special requirement must be stated on all customer purchase orders along with the extra charge.

Important Notice: All statements, technical information, and recommendations related to Caplugs products are based on information believed to be reliable, however, the accuracy or completeness is not guaranteed. Before using any Caplugs product you must evaluate it and determine if it is suitable for your intended application and that it complies with all applicable legal requirements for your use of the product. You assume all risks and liability associated with your intended application of the product. Any statements related to the product which are not contained in Caplugs current publications, or contradictory statements contained on your purchase order shall have no force or effect unless expressly agreed upon, in writing, by an authorized officer of Caplugs.

Warranty; Limited Remedy; Limited Liability:

Caplugs warrants that the product will be free from defects in material and manufacture as of the date of purchase. EXCEPT FOR THE EXPRESS WARRANTIES MADE BY CAPPLUGS HEREIN, CAPPLUGS MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY, TITLE OR FITNESS FOR A PARTICULAR PURPOSE. If this product fails to conform to the warranties set forth herein in any material respect, your exclusive remedy shall be to replace the product or refund the purchase price of the product. EXCEPT WHERE PROHIBITED BY LAW, CAPPLUGS WILL NOT BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL, EXEMPLARY, CONSEQUENTIAL OR PUNITIVE DAMAGES, LOSS OF REVENUE OR PROFIT, DIMINUTION IN VALUE, DOWNTIME COSTS OR COST OF ANY SUBSTITUTE PRODUCTS OR CLAIMS ARISING FROM THIS CAPPLUGS PRODUCT, WHETHER OR NOT THE POSSIBILITY OF SUCH DAMAGES HAS BEEN DISCLOSED IN ADVANCE BY YOU OR COULD HAVE BEEN REASONABLY FORESEEN BY CAPPLUGS, REGARDLESS OF THE LEGAL THEORY ASSERTED.

Indemnity Section:

Caplugs will indemnify, defend and hold Caplugs harmless from any and all claims by any other party resulting directly or indirectly from the use or modification of the products, incorporation of the products into other products, and your acts, omissions, misrepresentations, or negligence, regardless of the form of action, except to the extent such claims arise out of Caplugs' negligence, intentional misstatements or a breach by Caplugs of the terms of this Certificate of Compliance.

We pride ourselves in our commitment to quality and 100% accuracy. In the event of a discrepancy please return a copy of this paper with a discrepancy report. All claims must be made in writing within 7 calendar days of receipt of product to be valid.

Terms and Conditions of Sale

Crestwood Technology Group (CTG) considers all sales to be non-cancelable, non-returnable, and non-refundable and parts cannot be rescheduled. The only exceptions may be if a customer reports to us in writing, within 7 calendar days of receiving product, that the goods received a) are not the parts they ordered on their purchase order, or b) do not conform to the manufacturers stated form, fit or function for the product. For returns that we authorize with a Return Merchandise Authorization (RMA) in writing, CTG either will issue an in-house credit for a future purchase, replace the parts, or refund our client for the cost of goods purchased reflected on our invoice, at our sole discretion. CTG may charge a 25% restocking fee for parts that we authorize for a return (RMA). Our liability, resulting from the purchase or sale of any product, will always be limited to the cost of the goods purchased which is reflected on our invoice to the client. Your purchase order is further governed by the policies, terms, and conditions as set forth in the "Terms and Conditions" section on our website at www.ctg123.com/terms-of-sale at the time of your purchase. If you cannot access the website, please call us at (914) 779-3500, ext. 122 and a written copy will be provided to you. Your failure to review the Terms and Conditions does not waive any of the terms or conditions.
